getting to **cobaltid**

Cobalt id is located about one kilometre from the A11, near Attleborough.

• From Norwich

- Exit the A11 at the second Attleborough junction, signposted to the B1077, Attleborough and Watton.
- Turn right at the end of the sliproad.
- Pass under the A11 flyover, turn right at the traffic lights and then immediately left into Deopham Rd.
- Continue along Deopham Road for about 1km.
- At the second sharp right-hand bend, flanked by a row of horse-chestnut trees, turn left into the gravel drive of Wood Farm.
- Take the right-hand fork to reach cobalt id.

• From London

- Exit the A11 at the first Attleborough junction, signposted to the B1077, Attleborough and Watton.
- At the traffic lights, go straight over the B1077 then immediately turn left into Deopham Road.
- Continue along Deopham Road for about 1km.
- At the second sharp right-hand bend, flanked by a row of horse-chestnut trees, turn left into the gravel drive of Wood Farm.
- Take the right-hand fork to reach cobalt id.
